

## Church3TwentyOne COUNSELING REFERRALS

**PLEASE NOTE:** We have put together this list of resources to help individuals and families in our church community in their search for a Christian counselor in the Northwest Ohio area. We are referring people to individual counselors we know to be followers of Jesus, not to the counseling center or agency they are associated with.

*3TwentyOne is not liable for the beliefs, actions, or counseling of these professionals, websites and facilitators.*

We encourage and appreciate any feedback.
